CHANCERY NOTICE

Archbishop William Goh DD will be away in Krakow, Poland, from 19 July to 3 August 2016. His Grace will be leading the Singapore Archdiocesan contingent to World Youth Day (WYD) 2016. The delegation leaves tonight.

WYD is a time of celebration with the Holy Father. Thousands of young people around the world come together to experience for themselves the universality of the Church through prayer and the sacraments. It is traditionally held every three years in a different country. This will be the 14th International World Youth Day since the event was inaugurated by Pope John Paul II in 1986.

In Archbishop William Goh's absence, the two Vicars-General will attend to the administration of the Archdiocese in accordance with their competences.

- Mgr Rev Ambrose Vaz— general competences for all matters including pastoral matters pertaining to the Archdiocese.
- Mgr Philip Heng SJ— competences for matters relating to Finance, Inter-Religious and Institutes of Consecrated Life.

Further enquiries may be directed to the Archbishop's Office via email: archoffice@catholic.org.sg or by telephone: 68951555.
